SeaCliff Beauty Packaging & Laboratories Introduces New Taesung Brush/Jar Container

SeaCliff Beauty Packaging & Laboratories introduces to clients the innovative brush/jar mousse container by Taesung. Including both a product container and detachable brush, this component can be used for applying foundation mousse or mousse blush. The detachable brush, made from fine goat hair, sits on top of the container making it easy to use on-the-go. With a modern, sleek shape, the component is offered in 10g and 30g jars made of high end, durable ABS (acrylonitrile butadiene styrene), instead of PP (polypropylene plastic).

“We are excited to be offering to our clients Taesung’s latest beauty innovation,” says **Vonda Simon**, President of **SeaCliff Beauty Packaging & Laboratories**. “Made with high end materials and unique design for portability and ease, the new brush/jar container is the perfect component for applying mousse cosmetics anytime, anywhere.”

SeaCliff Beauty Packaging & Laboratories was founded in 1999 by Vonda Simon with the purpose of offering cutting-edge, performance-based packaging options at competitive prices for the cosmetic, skincare, healthcare
