FOR IMMEDIATE RELEASE

SeaCliff Beauty Packaging & Laboratories Announces Upcoming Stock Line of Skincare Products

Following on the heels of its just-launched stock library of color cosmetics, **SeaCliff Beauty Packaging & Laboratories** is developing a stock line of skincare products. As with the stock library of color cosmetics, clients can opt to utilize the products for private labeling, or they can customize the products according to their own specifications, on the SeaCliff premises. Among the state-of-the-art skincare products available are serums, eye creams, moisturizers, cleansers, primers and wrinkle-prevention creams enhanced with Vitamin C.

“I am delighted to announce that **SeaCliff** is in the process of developing a complete stock line of skincare products, enabling us to ensure that the products are customized completely to our clients’ specifications,” says **Vonda Simon**, President of **SeaCliff Beauty Packaging & Laboratories**. “This will provide us with the unique distinction of being able to develop, produce and fill skincare

products on-site, while also helping our clients create innovative packing to fulfill their visions.”

SeaCliff Beauty Packaging was founded in 1999 by Vonda Simon with the purpose of offering cutting-edge, performance-based packaging options at competitive prices for the cosmetic, skincare, healthcare and dental industries. All **SeaCliff** components feature state-of-the-art, high-quality designs customized to each client’s specific needs. With years of industry experience, **SeaCliff’s** technically knowledgeable team has the expertise to provide personalized solutions that surpass industry standards. A leader in distinctive packaging, **SeaCliff** has designed components for world-renowned beauty industry leaders including Murad, Inc., Guthy Renker, Bare Escentuals, Rembrandt, ReVive, Arbonne International and more.

SeaCliff Beauty Packaging & Laboratories is located at **17530 Von Karman Avenue, Irvine, Ca 92614, 949-955-1239** or visit www.seacliffbeauty.com.
